

## Bulletin 2021-02

Subject: Rally Cross Supplementary Regulations

Issue Date: November 18, 2021

Effective Date: Immediate

This Bulletin provides current COVID-19 Protocol details, in addition to the published Supplementary Regulations:

**Based on current Nova Scotia COVID protocols, (<https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>) all participants, crew, and volunteers must show proof of vaccination (QR code or other official vaccination document) and one piece of government issued ID during the Check-in process. All persons aged 12 or over must be fully vaccinated (had your second shot at least 14 days prior to the event).**

**Check-in will occur at entry to the site. Once the event begins, if a volunteer is not available to man the entry, the entry will be blocked and a contact number posted. Contact that number to have someone come to the entry and check you in.**

Further Bulletins will be issued as required, but it is the responsibility of all competitors to check the Nova Scotia Health website and ensure they are familiar with the COVID 19 protocols.
