Note the GPS column - this indicates that the rally is using GPS controls, e.g. Richta app or MiRally. For most rallies, this info is not known; yes and no are what I believe the event is; blank is unknown; all GTAs are no. Please let me know whether or not your event is using GPS controls.

**National Events are in Blue and Bold print for those who do not have a color printer.**

Some events are not yet calendared or sanctioned and are subject to change. Please check with the Contact Person listed above for the latest information.

This calendar is posted on SCCA's website on the Rally page as 'RoadRally planning calendar'.
