The Chief Scrutineer will have authority to exclude from racing on these grounds.

Ties

Ties will be broken for championship awards only, with position determined by counting the number of first place finishes, then second place finishes, and so on until a winner is determined. If this fails to break a tie, it shall be considered tied for the position.

Subsequent positions will be awarded based on the number of competitors ahead.

Scoring

1st	10 points
2nd	6 points
3rd	4 points
4th	3 points
5th	2 points
6th, 7th, 8th, etc	1 point

For clarification:

-A competitor will only be awarded points for finishing position in the race for which the car is designed.

I.e. Either a GTA or GTB race or **another contested class race** ~~one of the SM races~~ will count points for this club championship.

-B.A.C. members will be awarded positions based on other club members only.

I.e.: A competitor finishes third at a race at AMP, but the 1st and 2nd drivers in the race are not BAC members. The competitor will count 1st place points for the purposes of this club championship.
